Hey guys,

I love the show. I had to log on here and post a message. If this is not the appropriate place for this question, feel free to move or delete after answering. I'd appreciate it.

I subscribed and listened to the shows, and loved every minute. I was just wondering when we can expect the next installment. The latest pod is dated Feb 11. The show isn't dead, is it?

Thanks for the show. Love you guys.

Takk
