Sound Issues

Posted by KimberlyH - 2008/02/05 15:47

Just downloaded #3 from iTunes, and it seems Seren this time is having audio troubles. You are just muffled on this episode no matter what I do with my sound on the computer.:(

We are working on this...thank you for your patience and input. Once we have both have headsets we will have an easier time at evening out the sound. Thank you! Lady Seren
